Newsletter 1 – 09/03/2020

Dear Members & Parents;

We have had a fantastic but hectic start to the 2020 Bonny Hills Physie Year, and it's great to see so many new and familiar faces at classes. We are always looking for and encouraging new members. It's never too late to start, so why not bring a friend along to join our fun and friendly club.

THE PINK EVENT - Saturday 28th March at Bonny Hills Surf Club from 6pm

Plans are well underway for this fabulous event, celebrating 20 years of Bonny Hills Physie and raising money for a great women's charity. Please try to get on board and support this night by purchasing tickets asap. Encourage your friends to come along. It is not just for Physie people and there are some fabulous prizes on offer. Our teachers are all volunteers and we rarely fundraise, so we are asking all of you to help make this night a memorable one by getting out and selling some tickets. \$60 will get you a welcome goodie bag, 2 drinks, lots of food, entertainment and a fantastic night of memorabilia, raffles, prizes and friendly faces. Contact Miss Ann for more details.

LEOTARDS

We have had our try on now and most people have decided on styles and colours, so please let Miss Ann know what you have decided on so we can ensure that everyone has a leotard for competition time.

INTERCLUB COMPETITIONS

We have accepted invitations to 2 Interclub competitions this year. They are:

1. Coffs Coast Interclub - Saturday 15 & Sunday 16 August @ Bishop Druitt College, Coffs Harbour
2. Port City United Interclub - Saturday 29 & Sunday 30 August @ St Josephs Regional College, Port Macquarie

More details to come on both of these.

CLASSES

It is great to see so many members attending both Wednesday and Friday classes each week, and we encourage everyone to do this. If you are finding it difficult, perhaps you could speak to some other mums and arrange to carpool for different days.

As our classes have grown in size, we would ask you to respect both teachers and students by keeping quiet during classes. Consider just dropping off and picking up after class if you can and if weather permits, please stay outside of the hall until your class starts.
